Going to Build This Year?

That it is cheaper in the long run to Build than it is to
Rent is a conceded fact. One year's rentals amount to twice
as much as the interest on a building investment. Money saved
is money earned—don't rent, when you can save money by
building a home of your own.

We can supply you with

L U M B E R

at reasonable prices and we will gladly figure your needs with-
out extra charge. Also can supply

LIME, CEMENT, and Building Materials

which you will need in building your home or making improve-
ments. Come in and see us.

Look Over Your Implements

and see what you will need to do the Spring work. Don't
deceive yourself by thinking you can do another year's
work with an implement that has "served its time." You
will find it cheaper in the long run to buy a new

Wagon, Mower or Harrow,
than to try to get along with patched-up implements.
